who makes these changes

I drive to Fairfield,  
a fairfield

I drive to the Riverside  
a riverside

I turn right, then left  
our spirits meet  
you laugh, I laugh  
such perfection is contagious

These are the things  
that happened  
minute overlapping  
minute these  
are the things  
that happened

other people don't understand  
parents say what are you doing  
spending too much time  
with an older man

interests in you  
friendship channels besides sex  
comfortable project  
stuff they've done together

feelings vs. proprieties  
Jillian doesn't accept it  
I don't know what to think  
of feelings

sex oriented person  
curious level  
sex thing - she's getting over  
way too much for her age

there is something there  
primal instincts  
wild but trying to curb  
something there

understanding - he agreed  
and sent out signals  
hug has sex E  
sexy touch  
says one thing, does another
